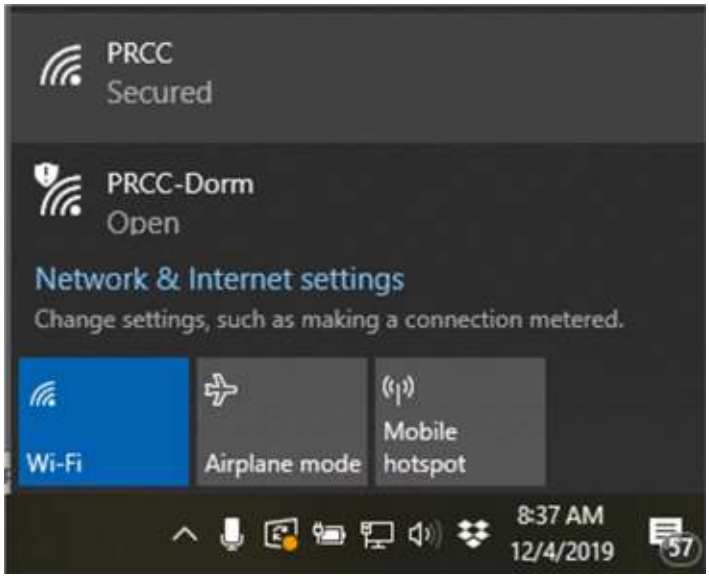
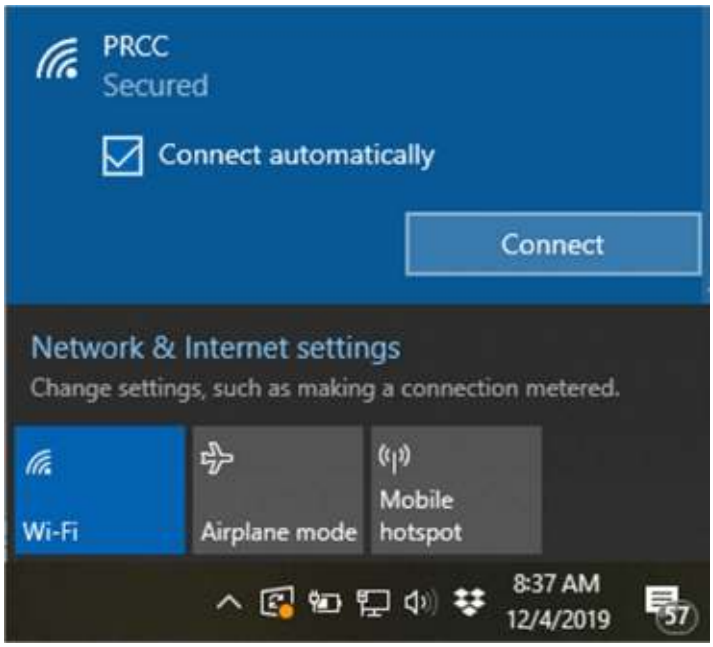
Connecting a Windows PC to the new PRCC Wifi

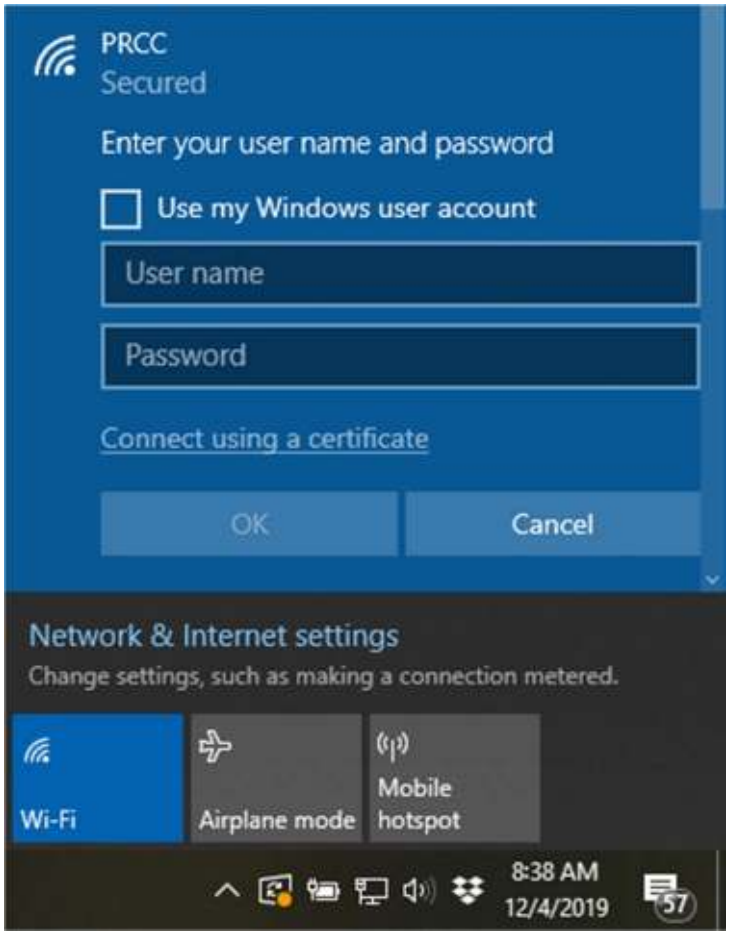
1. Click the network icon in the system tray to display a list of available networks.



2. Click on PRCC

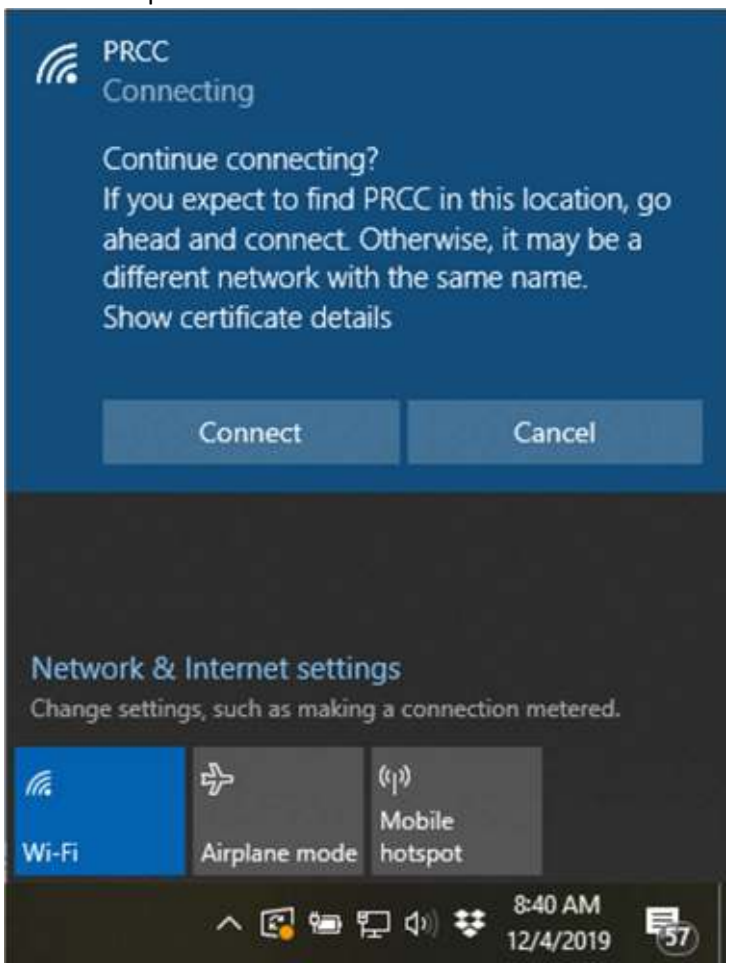


3. Select Connect



4. If using a PRCC computer, you may check “Use my Windows user account”. If using a personal device or generic Windows login, enter your RiverGuide credentials.
5. Click OK.

6. When Prompted click Connect



7. You are now connected to the PRCC network.
