

## PRACTICAL NURSING NIGHT/ WEEKEND OPTION

### PEARL RIVER COMMUNITY COLLEGE

#### PEARL RIVER COMMUNITY COLLEGE PRACTICAL NURSING NIGHT/ WEEKEND OPTION APPLICATION DEADLINE: MARCH 1

Thank you for your interest in the practical nursing program at Pearl River Community College (PRCC). The practical night/ weekend option takes five semesters to complete. The program is offered at the Forrest County Center located in Hattiesburg, MS. The practical nursing program (night/ weekend option) starts in June of each year. The deadline to submit an application is March 1. The PRCC practical nursing program is accredited by the “Mississippi Community College Board” (MCCB).

#### DEFINITION OF PRACTICAL NURSING

The practical nursing faculty supports the description of the practical nurse from the Mississippi State Board of Nursing cited in the *Mississippi Nursing Practice Law, 2010*.

“The practice of nursing by a licensed practical nurse means the performance for compensation of services requiring basic knowledge of the biological, physical, behavioral, psychological and sociological sciences and of nursing procedures which do not require the substantial skill, judgment, and knowledge required of a registered nurse. These services are performed under the direction of a registered nurse of a licensed physician or licensed dentist and utilize standardized procedures in the observation and care of the ill, injured and infirm; in the maintenance of health; in action to safeguard life and health; and in the administration of medication and treatments prescribed by any licensed physician or licensed dentist authorized by state law to prescribe..” On a selected basis, and within safe limits, the role of the licensed practical nurse should be expanded by the board under its rule-making authority to more complex procedures and settings commensurate with additional preparation and experience.

## PRACTICAL NURSING NIGHT/ WEEKEND OPTION

### Selected Applicant

For those applicants selected for admission as determined by this point system (highest point accumulation to lowest):

1. A mandatory orientation session will be conducted for those selected for admission and alternates. The orientation session(s) will be held on each campus. Date(s): to be announced.
2. A physical is required. The physical is to confirm that the applicant is in good health and possesses the required physical abilities to function satisfactorily within the program and the occupation. TB screening is required as part of the physical exam. The results must render a negative TB result or treatment protocol completed.
3. Drug screening will be required from a specific lab; Health Works located at 5909 US Hwy 49, Hattiesburg, and must render a negative result in order to continue. Applicants are given specific time frames for obtaining their drug screen.
4. Obtain "Form #121, Certificate of Immunization Compliance" from the Mississippi State Department of Health. Immunizations required to perform the clinical portion of courses in the PN Program are: Hepatitis A, Hepatitis B, Diphtheria, MMR (2), Tetanus, and Varicella.
5. Applicants must submit fingerprints for a criminal background check in accordance with section 43-11-13 of the Mississippi Code of 1972. The criminal background check process is necessary for the practical nursing student to enter the healthcare facilities to complete the required clinical experience.

If fingerprinting or criminal history records checks disclose a felony conviction, guilty plea or plea of nolo contendere to (a) felony possession or sale of drugs, (b) murder, (c) manslaughter, (d) armed robbery, (e) rape, (f) sexual battery, (g) sex offense listed in Section 45-33-23(h), (h) child abuse, (i) arson, (j) grand larceny, (k) burglary, (l) gratification of lust and/or (m) aggravated assault, and/or (n) battery of a vulnerable adult that has not been reversed on appeal or for which a pardon has not been granted, the student shall **not** be eligible to participate in the health care vocational technical education (CTE) program of study (the PN Program). If the applicant has been accepted when these results are revealed the student will forfeit their seat.

Fingerprinting for Criminal Background Check must be done and results approved by the Mississippi Board of Nursing (MSBN) prior to licensure. The MSBN Criminal background Check requires you pay a separate fee directly to the MSBN.

6. CPR-BLS (Health Care Provider certification) is required. This certification may be the American Heart Association, American Red Cross, or other acceptable agencies. This certification is required prior to any clinical activity and must not expire prior to graduation from the practical nursing program.

## PRACTICAL NURSING NIGHT/ WEEKEND OPTION

7. Applicants are selected by the point system indicated in this packet (highest to lowest). Priority in tie point instances will be given to (1) in-district candidates, (2) out-of-district candidates, and (3) out-of-state candidates.
8. Qualified alternates will be placed on a waiting list and may be selected to fill any vacancies that occur prior to the end of late registration for the current year.
9. Please refer to the Cat Country Guide (PRCC Student Handbook at <http://www.prcc.edu/current-students/student-handbook>) under *due process* for student complaints.

### CRITICAL ELEMENTS

As a student seeking admission to the practical nursing program, we would like to make you aware of some of the critical elements for performance in the practical nursing program:

- Stand for prolonged periods, up to eighty percent of clinical time (6-8 hours)
- Walk, bend, stoop, kneel, squat, push, pull, lift, and reach overhead
- Possess sufficient gross and fine motor coordination to perform nursing procedures
- See, talk, and hear with sufficient acuity to perform client care
- Tolerate exposure to disinfectants, soap, cleansers, plastic and other materials used in protective equipment and for procedures
- Students are expected to travel as needed for clinical, convention, or lectures and learning opportunities off the campus and overnight
- Must complete each course with a minimum grade of 80% (B) or higher to progress in the program.

### REQUIREMENT FOR LICENSURE

Upon graduation, the practical nursing student will receive a “Certificate of Proficiency” and **may** be eligible to apply for the National Council Licensure Exam (NCLEX) for practical nurses. Licensing of practical nursing is regulated by the Mississippi Board of Nursing (MSBON). The MBON requires a separate fingerprinting and background check conducted by their criminal investigations department prior to graduation. This will be the second Criminal Background check you will have completed while in the program. You will be charged a fee for this service by the Mississippi Board of Nursing. Conviction of a misdemeanor or felony offense may be a “disqualifying event” grounds for refusal by the board to issue a license. This will be scheduled during the third semester of the program.
