August 2014 Faculty/Staff Professional Development

Dr. William Lewis welcomed faculty and staff during the opening of the General Session on August 11, 2014, and encouraged everyone to continue the good work to move PRCC from "Good to Great".

Dr. Rob Kadel with Pearson gave a presentation about Education 3.0 "Learning to Think Differently; Thinking to Learn Differently", followed by a very informative panel discussion on "Educational and Instructional Issues".

The luncheon speaker was Mr. Clyde Webber who gave an informative and humorous presentation entitled "There's Always Something Going On."

Following lunch, concurrent faculty sessions were offered for general education and career/technical faculty. Dr. Lindsey Lewis provided information about the Team Approach for Customer Service to each of these groups.

Panel Discussion a Hit

Panelists, Dr. Rob Kadel, Ms. Amy Whitten, and Officer Adam Parker, provided informative overviews and expertly fielded questions from the audience dealing with student learning, legal issues of social media, and maintaining a safe campus environment conducive to student learning.

Professional Development Sessions Scheduled for Support Staff

Professional development sessions for Support Staff are scheduled at the Poplarville Campus for Friday, September 19, 2014, at 8:30 a.m. and 10:30 a.m. in the Olivia Bender Cafeteria West Dining Room.

Results of the 2013-2014 Graduate Survey indicate that the top three reasons for selecting PRCC were as follows:

1. Convenient location
2. Good reputation of PRCC

3. Selection of courses offered

Results also indicated that 87 percent of graduating students surveyed would choose to attend PRCC again.

Quality Enhancement Plan (QEP)

Much activity has occurred in the last year in preparation for PRCC's next Quality Enhancement Plan (QEP). In the Fall 2013 semester, focus groups were conducted on all three campuses among faculty, students, and community organizations with the goal of identifying potential topics for the QEP.

In the Spring 2014 semester, Dr. Lewis appointed the QEP Topic Committee who was

charged with reviewing all suggested topics. The First Year Experience (FYE) was voted as the topic of choice by the committee and received final approval by Dr. Lewis in April 2014.

Beginning October 1, 2014, Dr. Amy Townsend will begin her role as PRCC's Director of the QEP. Early in the fall semester, members of the institutional QEP committee were appointed by Dr. Lewis. This group will hold its initial meeting on October 3, 2014. During the Fall semester,

research related to the FYE will be reviewed along with relevant institutional data. An action plan for the year will be developed and a draft of the QEP proposal to be submitted to SACSCOC will be completed. Moving forward, the chosen QEP topic will afford PRCC the opportunity to significantly impact student success and increase student learning.

Lunch and Learn

Ms. Lara Bowman with the Mississippi State University Extension Service Technology Outreach conducted an e-commerce Boot Camp for Chamber members during the summer.

Participating members were treated to in-depth training on ways to use social media to enhance their businesses. The sessions included information about Facebook, Twitter, Instagram, Pinterest

and web page design. Additional e-commerce sessions will be offered

to the community in the near future.
