For new programs or programs being added to a new location: Documentation of final USDE approval/acknowledgement	
Documentation Registrar's Office has been notified of the changes	
Information added to the catalog and website	

CURRICULUM PROPOSAL PROCESS

PURPOSE: To establish a systematic method of submitting, reviewing, and approving curriculum changes for the College.

1. The "Curriculum Proposal" form has been devised as a tool to track a suggested curriculum proposal from conception through approval, adoption, and inclusion into the College Catalog.
2. The Instructional Council is annually appointed by the President in compliance with the College's policy and procedure. The Council will meet at least twice annually to consider and recommend curriculum changes.
3. Proposal Process:
 - A. Section 1 of the Curriculum Proposal form is to be completed by the originator of the desired change. In addition to the information on the form, the following information should be provided with the request:
 - a. Explanation and/or reason for proposed action
 - b. If a new course or course change, include course outline, objectives,
 - c. Course description and Student Learning Outcomes
 - d. Copy of content for catalog including prerequisites and credit hours.
 - e. Any request requiring new equipment or additional personnel must document that the Business Manager has been notified of the potential monetary impact of the request.
 - f. Additional CTE documentation:
 - For a request including an increase/decrease in hours, include a copy of the MCCB "Request to Change Semester Credit Hours" form.
 - For a request including a new program, include a copy of the completed MCCB New Program form.
 - B. Section 2 of the Curriculum Proposal form is the required signatures for the approval to be considered by the Instructional Council.
 - C. Once the proposal form has been signed by the appropriate administrator(s), it will be submitted to the Instructional Council Chair for consideration at the next Instructional Council meeting.
 - D. The Council Chair will set a meeting date, time, and place as well as distribute copies of the recommended changes to Council members prior to the scheduled meeting.
 - E. The Council Chair will develop an agenda for the meeting and will ensure that minutes are maintained.
 - F. The originator of the proposal or a representative should attend the Instructional Council meeting and be prepared to present the suggested change(s) to the members of the Council. Council members will review how the suggested changes will affect other areas of the College and may provide suggestions.
 - G. Once the Council has recommended a curriculum change, the form will then be submitted to the President for approval. If the change approved by the Instructional Council includes the addition or deletion of a program, the recommendation must be approved by the appropriate personnel prior to submitting the form to the President. If approved by the President, the recommendation will then be submitted to the College's Board of Trustees for review and approval.
 - H. The Curriculum Proposal originator with appropriate administrative support will implement approved recommendations. The Instructional Council Chairperson will ensure that both the "Office Use Only" section of the Curriculum Proposal form is completed thus informing the college community of the approved change(s).
