Pearl River County Updates

Presented by
Adrian Lumpkin, Pearl River County Administrator

October 30, 2018
11:30 a.m.—1:00 p.m.
PRCC Olivia Bender Cafeteria

On behalf of Pearl River Community College and the Poplarville Area Chamber of Commerce, we welcome you to today's Lunch and Learn session. Thank you so much for joining us!

County supervisors provide regional leadership over various policy areas, including policies necessary to create safe communities, protect public health, promote economic development, and plan and manage resources for sustainable development. Supervisors provide important oversight of county operations, including overseeing strategies to promote sound fiscal management and to develop a high-quality county government workforce.

Excel By 5 is an innovative early childhood community certification process focusing on a community's young children. It emphasizes the important roles parents and early childhood educators play in the lives of children during their most formative years - birth to age 5. Poplarville became a certified Excel By 5 community in 2015, with a coalition comprised of parents, early childhood educators, child care providers and other community representatives, and continues the work to remain a certified community.
