ALL ROADS LED HOME FOR PEARL RIVER HOMECOMING 2022 CELEBRATION

Pearl River Community College Wildcats came from near and far to celebrate Homecoming 2022. Evening festivities began with the Community Carnival and ended with a firework celebration after the Wildcats secured the win at the football game.

Wildcats of all ages were able to enjoy a lovely afternoon with different activities set up for the Community Carnival, sponsored by Williams Financial Group. Bounce houses, face painting, corn-hole, and more were enjoyed by all in attendance.

DEFENSE LEADS THE WAY IN WILDCAT HOMECOMING WIN

It took a complete team effort to get it done but the Pearl River football team accomplished something it hadn't done since 2017. In front of a raucous Homecoming crowd, Pearl River knocked off Copiah-Lincoln 24-14.

"That was a huge win to get us to 4-3 on the year," Pearl River coach Seth Smith said. "That was an ugly win, but a win is a win. We were trying to manage the game and get out with the win. The defense played exactly how they have all year. When you have a defense like that, it's a no-brainer to just run the ball to run out the clock."

PEARL RIVER GOLD GRABS FOURTH AT COPIAH-LINCOLN INVITATIONAL

The Pearl River golf team bounced back from a rough first tournament to turn in one of its best performances since its rebirth, finishing fourth overall in the Copiah-Lincoln Invitational at Beau Pre' Country Club.

The Wildcats fell just three strokes shy of earning third place.

NO. 13 PRCC TURNS IN BEST SINGLE-MATCH PERFORMANCE SINCE 2017

The No. 13 Pearl River women's soccer team put on a remarkable goal-scoring performance Sunday evening, defeating Oxford College of Emory 10-1.

The offensive output was the largest by PRCC since its 11-goal performance in 2017.

"We played really well and were able to move the ball around," head coach Henrik Madsen said. "We used the width of the field nicely. It was a good overall performance.

"It was good for Ann Maris to get back on track with some goals. Jess and Adele continued their scoring streak as well which is promising."

NEW HOUSING OPTION FOR PRCC STUDENTS IN HATTIESBURG

Students attending the Forrest County Campus (FCC) of Pearl River Community College have a new option for housing in Hattiesburg. Eagle Flatts, located just over 1/4 mile to the edge of USM's campus, has opened its housing options to PRCC students.

Since the campus opened in 1970, the FCC has been a commuter campus offering an array of general education, Allied Health

and Career and Technical Education opportunities. Beginning in 2017, many Allied Health and CTE programs have been added or expanded to meet the needs of the local workforce. Enrollment in those programs has increased by almost 60% in the past five years. To help accommodate the growing enrollment for those programs, PRCC and Eagle Flatts are excited about

FAMILY & FRIENDS SUPPORTING PRCC & THE COMMUNITY THROUGH TANNER ADAM MEMORIAL FUND

A life cut short unexpectedly became the spark for making a difference in the community through the Tanner Adam Memorial Fund. The Hancock Campus of Pearl River Community College is one of the beneficiaries including a recent donation of equipment and supplies for the welding program.

Tanner was still in high school when a car accident ended his life on September 13, 2008. After navigating through a very dark time, his family and friends took action to memorialize his life while helping members of the community improve their lives.

Mackenzie Brownlee
Sophomore, Forrest County Campus

STUDENT SPOTLIGHT

Mackenzie is from Laurel and graduated from Penn Foster Online Highschool and is majoring in Respiratory Therapy. She currently serves as the President of the Student Government Association on the Forrest County Campus. After graduation, she wishes to work as a licensed respiratory therapist at Wesley Medical Center in Hattiesburg.

“I chose PRCC because the moment I stepped on campus I felt at home! I love PRCC, my peers and the faculty and staff. I am so grateful to be able to go to a school that cares so much for students and their futures.”
