**Students who continue their education are now considered as positively placed in jobs or military.**

\*\*\* Using current year Carl Perkins report filter by Level 3's (these are the follow up students), then filter by Column "W" (comps 75), filter out all 999 and total up CTC and AAS – this number goes in column 1 (Should also be the same as column 2 on Core requirement 2.) Add together Job/Military and Cont'd education to get the # of positively placed.
