#### **COMMUNITY COLLEGE**

##### **Mission Statement**

Pearl River Community College is a public institution committed to providing quality educational and service opportunities for all who seek them.

##### **Strategic Goals**

1. To prepare students to complete a degree or certificate program and to be competent in careers for which they have been prepared.
2. To provide quality student services.
3. To provide access to college courses and programs using various instructional methods, including online and dual enrollment/credit courses.
4. To employ qualified faculty and staff, compensate them well, and provide opportunities for their professional development.
5. To provide facilities, technology, and support staff in order to improve student learning, enhance faculty and staff performance, and augment community services.
6. To provide adequate communication among campus personnel and community members regarding the College goals, outcomes, and activities.
7. To recruit and retain students from a diverse population.
8. To provide workforce training programs that meet requirements of business, industry educational, and public service agencies for basic skills, specific job skills, and technical skills training.

## Women's Health Symposium

Ms. Janie Walters

Ms. Keri Falk

Col. Marilyn Wills

### Motivation & Encouragement

"In times when you are not at your highest, find your center. Find your gratitude. Be grateful for yourselves.", said Col. Wills, "You have gratitude for those lessons that you may learn and then you build that resilience through reflection."

### Health Awareness

The health screenings included blood cholesterol, blood pressure, bone density, dental, glucose screening, skin screening, stress management, vision, and more. Participants also had the opportunity for some pampering in the form of a short chair massage from the massage therapy students or to have their nails manicured by the cosmetology students.

## Women's Health Symposium

The 16th annual Women's Health Symposium focused on resilience and featured three guest speakers; motivational speaker, Ms. Janie Walters, accident survivor, Ms. Keri Falk, and 9/11 survivor, Col. Marilyn Wills.

Participants expressed appreciation for positivity, guidance toward good health, and lots of good food and camaraderie.

Spring/Summer 2023

## External Research

The MACC Council on Institutional Research & Effectiveness (CIRE) reviews proposals for external research involving two or more MACC colleges through its CIRE Sub-committee on External Research. The sub-committee meets six times per year according to a schedule outlined in attached policy. The mission of the sub-committee is to evaluate potential external research for recommendation to the local college research contacts. Final decisions on participation in studies rests with each MACC college.
