

2024 PRCC Digital Course Materials Fee List

If your course is using an eBook or course content module, it is using a digital course materials package which is integrated into your Canvas Course Shell on **DAY ONE** of your class. This contains an eBook and any additional software required by the instructor for your course. If an eBook/course material are required for your course, a fee will automatically be added to your student bill so you do not have to pay for this up front. These fees are attached to the course and are non-refundable once you pass the add/drop date of the course. PRCC uses an equitable access program for all digital course materials which allows the institution to keep your overall textbook costs down. All courses using this model are charged a flat fee of \$30 per credit hour, so your average class will only cost you \$90 for your eBook, course content module (such as MindTap, MyLab, Connect, etc.) and any additional resources. In the past textbooks were costing students over \$1,000 per semester! This model has allowed us to nearly cut that cost in half.

Where to find my eBook and course materials?

If your course is using an eBook, you will find these materials located under the RedShelf eReader tab inside Canvas on day one of your class **OR** if using Cengage Unlimited these resources will be identified by your instructor in a specific module inside your Canvas Course Shell.

Can I purchase a print book with my eBook?

We strongly encourage all students to take advantage of the eBook as it can be accessed on all of your devices including your cell phone, tablets, computers, and TVs as long as you have WIFI/internet available! Our industry partners have told us that they want students to learn how to use digital materials as many businesses and industries have moved to online manuals.

If you find yourself having trouble with the eBook and would like to purchase a loose-leaf, the Print on Demand option is found inside the RedShelf eReader tab for courses who provide this option, but an additional fee is required to purchase a loose-leaf. These loose-leaf copies are mailed directly to your home and are not affiliated with the PRCC Bookstore.

Those courses who use a Cengage publisher have the option to order a rental textbook through Cengage Unlimited. The hardcopy textbook rental option is located in the Cengage link in your Canvas Course Shell module.

For questions regarding loose-leaf options or to use your available financial aid to purchase a loose-leaf, please email the prccwildcatden@prcc.edu.

Are the course materials loaded required?

The course materials loaded have been hand chosen by your instructor and approved by our institution. These materials will be used for successful completion of the course. If for some reason you choose to opt out of using these provided course materials, you must provide written explanation to the prccwildcatden@prcc.edu before the add/drop date of the course. No exceptions are made after the add/drop date of each course.

What courses use digital course materials?

Course Number	Course Title
ACC/2213	Principles of Accounting I
ACC/2223	Principles of Accounting II
ART/1113	Art Appreciation
BAD/1113	Introduction to Business

BAD/2413	Legal Environment of Business
BAD/2523	Personal Financial Management
BAD/2723	Principles of Real Estate
BIO/1113	Principles of Biology I
BIO/1114	Principles of Biology I & lab
BIO/1123	Principles of Biology II
BIO/1124	Principles of Biology II Lecture & Lab
BIO/1133	General Biology I
BIO/1134	General Biology I & Lab
BIO/1143	General Biology II
BIO/1144	General Biology II Lecture & Lab
BIO/1513	Principles of A&P I
BIO/1514	Principles of A&P I with Lab
BIO/1523	Principles of A&P II
BIO/1524	Principles of A & P II & Lab
BIO/2513	Anatomy and Physiology, I*
BIO/2514	Anatomy & Physiology I Lecture & Lab*
BIO/2523	Anatomy & Physiology II*
BIO/2524	A&P II Lecture & Lab*
BIO/2924	Microbiology and Lab
BOT/1233	Microsoft Word I
BOT/1273	Intro to Microsoft Office I
BOT/1313	Applied Business Math
BOT/1433	Business Accounting
BOT/1453	Intro to Business Management
BOT/1493	Social Media Management
BOT/1623	Medical Office Terminology II
BOT/1643	Pathophysiology
BOT/1763	Communications Essentials
BOT/1823	Microsoft Excel I
BOT/1853	Microsoft Excel II
BOT/2233	Human Resources Management
BOT/2433	QuickBooks

BOT/2463	Payroll Accounting
BOT/2473	Cost Accounting
BOT/2673	Medical Insurance Billing
BOT/2743	Medical Office Concepts
CDT/1224	Preschool & Primary Development
CDT/2233	Guide Social & Emotional Behavior
CDT/2413	Dev of Exceptional Child
CDT/2513	Family Dynamics & Community Involvement
CDT/2813	Admin of Preschool Programs
CHE/1213	General Chemistry I
CHE/1214	General Chemistry I Lecture & Lab
CHE/1223	General Chemistry II
CHE/1224	General Chemistry II and Lab

CHE/1314	Principles of Chemistry I & Lab*
CHE/ 2423	Organic Chemistry I
CHE/ 2433	Organic Chemistry II
CRJ/1323	Police Admin and Organization
CRJ/1383	Criminology
CRJ/2323	Criminal Law
CSC/1113	Computer Concepts
CSC/1123	Computer Applications I
CSC/2134	Programming I with C++
CSC/2144	Programming II with C++
CSC/2623	Computer Programming II
ECO/2113	Principles of Macroeconomics (Printed notes)
ECO/2123	Principles of Microeconomics (Printed notes)
EGR/2413	Engineering Mechanics I
