2026 PRCC Digital Course Materials Fee List

If your class uses an eBook or online course materials, they will be available in your Canvas course **on the first day of class**. These materials include your eBook and any required online tools (such as MindTap, MyLab, or Connect).

You **do not pay for these materials up front**. A fee is automatically added to your student bill. PRCC uses an **Equitable Access program**, which helps keep textbook costs low. The price is **\$30 per credit hour** (most classes cost **\$90 total**). These fees are **non-refundable after the add/drop date**.

Where do I find my eBook?

- Look for the **eBook Access** tab in Canvas on day one.
- Cengage or McGraw-Hill publishers will be in a specific module in your Canvas course, identified by your instructor.

Can I get a printed book?

- eBooks work on phones, tablets, and computers with internet access and are recommended.
- Cengage courses may offer **rental textbooks** through the Cengage link in Canvas.
- No printed books are available at this time unless your instructor requires a loose-leaf, which we will provide.

Are these materials required?

Yes. Your instructor selected these materials to help you succeed in the course. If you choose to opt out, you must email prccwildcatden@prcc.edu **before the add/drop date**. No opt-outs are allowed after that date.

We are happy to help you! Please email prccwildcatden@prcc.edu with any questions you may have!
